Full description

If you are looking for a boat that combines performance, comfort and reliability, the Boston Whaler 305 Conquest is the perfect choice. With an overall length of 9.77 meters and a beam of 3.22 meters, this vessel is ideal for both relaxing cruises and exciting adventures on the open sea. Equipped with two powerful 2023 Mercury Verado V8 engines of 300 HP each, this 2006 jewel is still practically new, with only 25 hours of navigation on each engine and an official 5-year warranty that gives you peace of mind for the future.
 Its cruising speed is 30 knots, while the maximum speed reaches 40 knots, allowing you to enjoy maximum performance in any situation. The robust and refined design of the 305 Conquest combines with an exceptional list of technological features and comfort, making it the ideal choice for those who want the best at sea.

Hull from 2006, carefully polished in 2022, giving a fresh and flawless look.

A vessel that combines excellent performance, comfort, and advanced technical equipment for a top-level experience at sea!
