### Generator:

1x11 KW - Onan

### Full description

The 2022 Lagoon 50 is an elegant and spacious catamaran, ideal for long cruises and stays at sea. With an overall length of 14.76 meters and a width of 8.10 meters, it offers large spaces both inside and outside to enjoy maximum comfort on board. Equipped with two 80 horsepower Yanmar engines, the Lagoon 50 guarantees excellent performance at sea when motor sailing. The displacement of 21,000 kg testifies to the solidity of the structure.<br />

The Catamaran is configured with 4 cabins and 3 bathrooms, a layout version that favors large habitability for several people. Among the notable features, there is a lifting system for the tender, a comfortable flybridge, elegant leather and fabric finishes in the interiors, and advanced electronic navigation instruments. It is also equipped with a series of accessories designed for relaxation and practicality on board, such as a large barbecue area and a refrigerator in the cockpit.

### Interior description

Layout 4 cabins and 3 bathrooms  
Master cabin with walk-in closet  
Double cabin in the bow with separate bathroom  
Leather and fabric finishes in the living room upholstery and shelves  
Kitchen with grey composite cabinetry and high quality appliances including 130 litre fridge and 100 litre freezer  
Adjustable and convertible table in the living room  
Fans in the cabins and ample indirect lighting in both the saloon and cabins  
64,000 BTU air conditioning for optimum comfort

### Accessories description
