Displacement: **11000 kg**

**Materials:**

Hull: **Fiberglass**  
 Deck: **Fiberglass**  
 Deckhouse: **Wood**  
 Superstructure: **Fiberglass**  
 Fuel tank: **Steel**  
 Water tank: **Steel**

**Electrical system:**

Voltage: **12-220 V**

**Generator:**

1x4 KW - Dynamica mini 40

**Full description**

the Mig 43 is a sporty open boat with an aggressive look, however capable of combining performance characteristics with the comforts of a more comfortable cruising boat.<br />

Decked boat with fiberglass hull and deck and swim platform and stern cockpit covered in slatted teak. The boat, starting from the stern, is equipped with a large teak covered beach area with a retractable hydraulic gangway.<br />

On the left and right sides you have access to the rear cockpit, where we find a sundeck and an external dinette with central table and sky sofa. On the right, the helm station precedes a kitchen unit complete with sink, gas stove and fridge. Continuing through the entrance hatch, the stairs lead inside, where immediately on the left we find the kitchen area with steel sink, induction hob and fridge.<br />

From the central dinette you can access the guest bathroom and the two cabins, a VIP cabin in the stern and the owner's cabin in the bow with dedicated bathroom.<br />

Externally, however, from the stern cockpit you can access the external right and left corridors leading to the bow. In the bow area there is a large sundeck complete with cushions. The anchor warping area is convenient and easy to access at the extreme bow.<br />

Work carried out for the 2023 season:

- Wall painting in double layer acrylic;
- Spiaggina gelcoat painting;
- Covered polishing;
- Complete overhaul of DPH sterndrives;
- Complete overhaul of the electrical system;
- Battery Replacement;
- Replacement again with new Delta 20 kg type;
- Complete engine service.

**Interior description**

The interiors are in excellent condition.

The sky coverings are in good condition, as are the dinette cushions made of cream leather.

The furnishings, accessories and equipment are in a state of use suitable for normal use of the vessel.

**Accessories description**

The engine instrumentation is analogue with rev counter – hour meter – acoustic alarms.

**Equipment description**
